

Newberg Veterinary Hospital

Pet of the Month

July 2010

BOARDER OF THE MONTH

LOLA

Lola, a pot-belly pig, is one of our favorite boarders. She loves to go for walks and is very friendly. We enjoy her frequent visits when her owner travels.

PATIENT OF THE MONTH

SADIE

Sadie was kicked by a horse in her rear leg and fractured all of the bones in her lower leg. After orthopedic surgery she is healing well and was wagging her tail during the whole visit.
